

Office of the Director  
of Central Intelligence

DATE: 12 February 1974

TO: The Honorable James R.  
Schlesinger  
The Secretary of Defense

SUBJECT: Energy Conference Briefing Book

Attached for your perusal and information is a copy of a briefing book for the Washington Energy Conference. This compendium was assembled by OER under the aegis and general supervision of Jim Critchfield. I thought you might find it of some interest and use.

SUBJECT: The J-5 Working Draft on U.S.  
Force Presence and Basing in  
the Middle East

At my request,  took all of your excellent comments on the J-5 draft proposal and melded them into a single paper. Attached is Newton's draft with my editorial revisions. I would appreciate your scanning this and offering any additional suggestions or corrections you deem desirable. I would like to send these more detailed comments to Admiral Hannifin before the end of this week.
